Stage 1 - Selection of Finalists.

Entry WITH PURCHASE:

The number of participating products will vary from one Participating IGA to another, from one applicable week to another. Purchases made from a Participating IGA via the Internet at IGA.net, under the Online Grocery tab, are also eligible for the Contest.
- The purchase of multiple participating products within a given transaction in a Participating IGA will entitle the purchaser to the same number of entries in the Finalist Draws of the applicable week as the number of participating products purchased.

For example:

- One (1) participating product provides one (1) entry in the Finalist Draws of the applicable week.
- Five (5) participating products provide five (5) entries in the Finalist Draws of the applicable week.
- Ten (10) participating products provide ten (10) entries in the Finalist Draws of the applicable week.

- Contest entries are not cumulative from one purchase to the next.
- The number of entries in the Finalist Draws of the applicable week that have been earned in a transaction will be indicated on the sales receipt given to each entrant (either as a result after a purchase made in person or following a home delivery or during the grocery store pickup of transactions carried out on IGA.net).

NO-PURCHASE entry:

- NO PURCHASE NECESSARY.** To enter the Contest without making a purchase, write an original letter of fifty (50) words or more, by hand, telling us why you like to do your groceries at IGA. Provide your first and last name, mailing address, city, postal code and phone number, and your email address (if possible) in your letter, place it in an envelope and bring it to the customer service counter of the Participating IGA of your choice during the Contest Period (“No-purchase Finalist Draw Entry”). The No-purchase Finalist Draw Entry for an applicable week must be received no later than the last day of the applicable week in question, at closing time of the Participating IGA or no later than 11:59 p.m., whichever comes first.

Limit of one No-purchase Finalist Draw Entry per envelope, per day.

11. The No-purchase Finalist Draw Entries and the entries with purchase in the Finalist Draws are referred to collectively as the “Finalist Draw Entries.”
12. All entries are subject to verification at any time and for any reason. The Contest Organizer reserves the right, at its sole discretion, at any time and for any reason, to require proof of identity and/or eligibility (in a form acceptable to the Contest Organizer – including, without limitation, government-issued photo ID (identification)): (i) to verify the eligibility of an entrant for the purposes of this Contest; and/or (ii) for any other reason the Contest Organizer deems necessary, at its sole discretion, for the purposes of administering the Contest in accordance with these Contest Rules. Failure to provide such proof to the complete satisfaction of the Contest Organizer within the timeline specified by the Contest Organizer may result in disqualification, at the sole discretion of the Contest Organizer. The Contest Organizer’s clock is the only official timekeeping device for the Contest.

Stage 1 : Finalist Draws:

13. For each Participating IGA, a minimum of seven (7) and a maximum of nine (9) random draws will be made electronically, based on an algorithm, from amongst all the eligible Finalist Draw Entries received during an applicable week (see the table in Section 3, above) (each referred to as a “Finalist Draw”); for a total of 56 to 72 Finalist Draws per Participating IGA during the Contest Period. For greater clarity, there will be a minimum of 16,464 and a maximum of 21,168 Finalist Draws during the Contest Period for all the Participating IGAs.
14. The Finalist Draw Entries of an applicable week that have not been drawn will not be eligible for the draw of a subsequent applicable week. In the event that, during an applicable week, the maximum of nine (9) Finalist Prizes have been awarded for a Participating IGA, the Contest Organizer shall be entitled to temporarily suspend further entries to the Contest until the beginning of the next applicable week.
15. At the end of each applicable week and the beginning of each subsequent applicable week, the computerized draw system will be reset to zero, and the Finalist Draws will be made from the eligible Finalist Draw Entries received during the applicable week.
16. When a Finalist Draw entry is chosen at random at a cash during a transaction with a participant, the cashier or a representative authorized for these purposes shall give the applicable entrant a copy of his/her cash receipt, indicating that he/she is a potential finalist in the Contest. The chosen potential finalist shall immediately report to the service counter* of the applicable Participating IGA, where he/she must identify him/herself and fulfil all the conditions set out in Rule 19 of these Contest Rules in order to be entitled to receive the Finalist Prize (as defined below).

***If the entrant is unable to report to the service counter right away, he/she shall have up to the store closing time of the applicable IGA store or no later than **11:59 p.m. (ET) on November 7, 2018**, whichever comes first, during which to report to the service counter of the applicable Participating IGA and to fulfil the required conditions. If that deadline is not met, his/her entry will automatically be rejected.*

17. For No-purchase Finalist Draw Entries, the employee at the service counter of the Participating IGA will enter a participating product code specially created for this type of entry at the cash register. If the computerized system identifies the entry as being a potentially winning transaction, the applicable cash register receipt will indicate that the entrant is a potential finalist in the contest. The chosen potential finalist must then fulfil all the conditions set out in Rule 19 of these Contest Rules in order to be entitled to receive the Finalist Prize (as defined below).
18. For purchases made online at IGA.net pursuant to the “ONLINE GROCERY” tab at a Participating IGA, the employee at such Participating IGA that prepares the order will scan the purchased participating products at the cash. If the computerised system identifies the transaction as a potentially winning transaction, the aforementioned employee (or another authorized representative of the applicable Participating IGA) will

communicate with the potential Finalist by telephone before delivery or pick-up of his/her order and will provide the potential Finalist with a copy of his/her cash receipt (i.e. from the cash register) indicating that he/she is a potential Finalist at the time of delivery or pick-up of his/her order. The selected potential Finalist will have to identify himself/herself to the employee doing the at-home delivery or, if the order is for pick-up, to an employee at the customer service counter of the applicable Participating IGA and, in any event (i.e. whether delivery or pick-up), the selected potential Finalist will have to fulfil all the conditions set out in Rule 19 of these Contest Rules in order to be entitled to receive the Finalist Prize (as defined below) – notably, by signing and returning the Contest Organizer’s liability release form before the store closing time of the applicable IGA store or no later than **11:59 p.m. (ET) on November 7, 2018**, whichever comes first.
